

Medical

Since opening our doors in 1932 Hardware Specialty has been providing solutions to complex and demanding industries, including Medical and Healthcare to meet today's stringent customer requirements with an extremely low tolerance for variance.

Hardware Specialty has an extensive line card of products & services used in the Medical and Healthcare markets.

Our Inside & Field Sales personnel have advanced product training to support your requirements in these areas. We've chosen only those suppliers who lead their respective markets with cutting edge technology.

Hardware Specialty has earned the status of "Certified Supplier" with several of the world's top Major Medical OEM's. Our staff of Quality Assurance experts has over 80 years of combined experience in quality, fasteners, electronic components and customer service – including all RoHS and DFARS requirements.

All Hardware Specialty locations meet or exceed the requirements of the following:

SAE-AS9120 Aerospace Standard (Marlborough, MA)

ISO 9001 International Standards

ISO 14001 International Standards (Blackwood, NJ)

ISO 17025 Calibration Standards

Our product line offering includes key components such as:

- ▶ Adhesives
- ▶ Antistatic Devices
- ▶ Connectors
- ▶ Electronic Hardware
- ▶ Fasteners
- ▶ Heat Shrink Tubing
- ▶ Labels & I.D. Products
- ▶ LED's
- ▶ Medical Grade Tubing
- ▶ Soldering Products
